G R A P P A

Welcome to Grappa, where we celebrate the rich heritage and craftsmanship of this unique Italian spirit. Grappa, a traditional grape-based spirit, is distilled from the pomace, or the skins, seeds, and stems leftover from winemaking, capturing the essence of the grape in a bold and aromatic form.

Established in December 2023, Grappa Sheffield draws its inspiration from this storied tradition. Come along with us as we explore the delightful flavours of Italy, where each sip brings a taste of tradition and passion.
